**BURKE LAWTON BREWER & BURKE EXPANDS  
WITH THREE SENIOR INVESTMENT MANAGERS**

Local Investment Managers with National Clientele Join Forces

Spring House, PA—Burke Lawton Brewer & Burke announced today that three investment managers from Walnut Asset Management in Philadelphia have joined the firm--Robert N. Phillips, Jr., Peter Bedell, and Clifford P. Haugen, CFA. Additionally, Margaret S. Wingerd, also from Walnut Asset Management, joined the firm as a Registered Portfolio Administrator. Together, these four individuals bring almost one hundred years of investment management and research experience to the firm.

Franklin A. Burke, the founder of the firm commented, “We are delighted to have such talented and seasoned investment managers join our firm. Our new colleagues share the same dedication to client service and commitment to helping clients build financial security.” Bob Phillips, the former Chairman and CEO of Walnut Asset Management, said, “Joining forces with Burke Lawton Brewer & Burke is a natural fit. Our investment philosophies are tailored to meet the needs of each individual client coupled with an unparalleled commitment to client service.”

Burke Lawton Brewer & Burke was founded in 1964. Since its founding, the firm has been committed to individually managing each client’s assets all the while adhering to

three guiding principles: (1) protect each client's initial investment; (2) generate income; and (3) grow the assets in each client's account
