**Auction Rate Securities: Account Transfer Acknowledgement**  
 You understand and agree to the following in connection with the auction rate securities held in your account:

- Your auction rate securities were purchased prior to the transfer of your account to us. As a result, we are not responsible or liable for any prior recommendations or advice with respect to these securities nor are we under any obligation to provide you with any investment recommendation or advice with respect to the disposition or continued holding of these securities in your account following the transfer of your account.
- You also understand and agree that we are not under any obligation to you (i) to provide loans under margin agreements or otherwise secured in whole or part by the auction rate securities in your account, (ii) to purchase or continue to purchase any auction rate securities in periodic rate setting auctions or in secondary market transactions, or (iii) to provide liquidity for such securities. Many auctions for these securities are in failed status meaning that holders of these securities are not able to sell these securities in the periodic rate setting auctions or in secondary market transactions and as a result, liquidity for these securities currently is greatly impaired. We provide no assurance that you will be able to sell or otherwise dispose of these securities following the transfer of your account to us. You understand that we take actions in connection with other customers that we do not offer you in connection with your auction rate securities.

If this account is a qualified retirement account, I have amended the applicable plan so that it names \_\_\_\_\_ (not FCC) as successor custodian. Unless otherwise indicated in the instructions above, please transfer all assets in my account to \_\_\_\_\_.

I understand that to the extent any assets in my account are not readily transferable with or without penalties, such assets may not be transferred within the time frames required by NYSE Rule 412 or similar rule of the FINRA or other designated examining authority. I authorize you to liquidate any non-transferable proprietary money market fund assets that are part of my account and transfer the resulting credit balance. I authorize you to deduct any outstanding fees due you from the credit balance in my account. If my account does not contain a credit balance, or if the credit balance in the account is insufficient to satisfy any outstanding fees due you, I authorize you to liquidate the assets in my account to the extent necessary to satisfy that obligation. If certificates or other instruments in my account are in your physical possession, I instruct you to transfer them in good deliverable form, including affixing any necessary tax waivers, to enable the successor custodian to transfer them in its name for the purpose of sale, when and as directed by me. I understand that upon receiving a copy of this transfer instruction, you will cancel all open orders for my account on your books. I affirm that I have destroyed or returned to you credit/debit cards and/or unused checks issued to me in connection with my securities account. I understand that you will contact me with respect to the disposition of any assets in my securities account that are non-transferable.
